To The Secretary to the Government of Madras,

Education & Public Health Department.

Sir,

I have the honour to state that the sanction accord-ed in G.O. No. Ms. 1365 Education and Public Health Depart-ment dated the 26th. August 1936 for the employment of an additional staff nurse temporarily for a period of one year in the Government Headquarters Hospital, Mangalore will ex-pire on 1st. April 1938. From the enclosed statement showing the average number of inpatients treated in the Hospital during the last three years and 7 months from January 1937, it will be observed that the attendance has considerably in-creased.

increased. The sanctioned bed strength of the Hospital is 100. According to the proportion of staff nurse to bed strength approved by Government, i.e., 1 staff nurse and 2 pupil nurses for every 20 beds, for a training centre for nurse pupils, the Hospital is entitled to have 5 staff nurses and 10 pupil nurses. The existing staff consists of 1 sister and 4 staff nurses and 4 pupil nurses, including the one temporary post of staff nurse referred to above. I consider that the addition-al staff nurse sanctioned for the Hospital is absolutely neces-sary and it is therefore requested that Government will be pleased to sanction the retention on a permanent basis of the additional post of staff nurse sanctioned in the G.O., quoted above.

The extra cost involved in the proposal during 1938-1939 is Rs.1081/-.

Necessary provision on this account will be included in Part I of the Surgeon-General's Budget Estimate for 1938-1939 for continuance of this post under "Temporary".

In their order No. 2247 E.P.W dated 18-11-'36 the Govt.have sanctioned temporarily for one year from 1-4-1937 of the staff noted in the margin in the hospital specified against each. The daily average number of in and out-patients treated at the hospital is given below.-

Headquarters Hospital, Mangalore.- One nursing orderly.

Year.	Daily av. no. of in-patients treated.
1934.	99.97
1935	115.20
1936	118.34
1937	146.82 (for 7 months)

The Dt. Medical Officer South Kanara has asked for the permanent retention of the temporary post with effect from 1-4-'38 stating the following reasons .-

'The present strength of eleven permanent nursing orderlies for this hospital is inadequate con - sidering the number of both in and out-patients. Out of the eleven nursing orderlies one is the theatre nursing orderly, two work in the out-patient dept and two are for night duty thereby leaving only six nursing orderlies for the wards with an average inpatient strength of 116 for 1936 and 146 for the first 7 months of this year. Hnce I request that the temporary post of nursing orderly already sanctioned for this official year may be made into a permanent one ".

In the circumstances stated by the Dt.

Medical Officer, I recommend that the Govt. will be pleased to sanction the permanent retention of one nursing orderly for the Govt. Headquarters Hospital with effect from 1-4-'38.

Station Madras, Dated the 30th August 1937.
4th September

From (Name) Major-General Sir F.P.Connor, Kt., D.S.O., K.H.S., I.M.S.,
(Designation) Surgeon-General with the Government of Madras.

To The Secretary to the Government of Madras,
Education & Public Health Department.

Sir,

In their order No. Ms.472 Education & Public Health dated 24-2-1937 the Government have sanctioned the employment temporarily for a period of one year from 1-5-1937 of a compounder in the Government Headquarters Hospital, Mangalore. The period covered by the sanction will expire on 1-5-1938. The daily average number of in and out door patients during 1934, 1935, 1936 and 1937 was as follows:--

Year.	Indoor.	Outdoor.
1934	99.97	368.79
1935	115.20	364.95
1936	118.34	430.~~41~~70
1937 (Average for 7 months).	146.82	561.50

At present there are 4 compounders (3 permanent and one temporary) attached to the hospital out of them, one has to go every morning for doing duty at the Sub Jail, thus leaving only three compounders for the morning outpatient and in-patient work. As per scale of compounders to patients viz. 1 compounder for 100 out patients and an additional compounder for every 75 in-patients, the hospital is eligible to have at least five compounders. I therefore request that the Government will be pleased to sanction the permanent retention of the temporary post of compounder with effect from 1-5-1938 and also to sanction an additional post of compounder on a temporary basis for a period of one year in the first instance with effect from 1-5-1938.

The cost involved during 1938-39 and the ultimate cost involved in the proposal will be Rs.616* and Rs.800/-* respectively.

*	Cost during 1938-39.	Ultimate cost.
1 Compounder.	28x12 = 336	33 1/3 x 12 =400
1 Compounder.	28x10 = 280	33 1/3 x 12 =400
	616	800

Necessary provision will be included in Part I of Surgeon-General's Budget Estimate for the continuance of the temporary post of Compounder under "Temporary". Provision may be included for the additional post of compounder asked for if the proposal is approved by Government.

I have the honour to be,
Sir,

Finance (E.II).

The proposals of Edn and P.H are:-

(a) to sanction an additional compounder on a temporary basis for a period of 1 year from 1-5-38 for the Govt. Headquarters hospital, Mangalore; and

(b to sanction the permanent retention of the following temporary staff now employed in the hospital:—

Posts	Date from which the post came into existence	Date of expiry of present sanction

1 Compounder	1-5-1937	30-4-1938
1 staff nurse	1-4-1937	31-3-1938

2. Item (a) above. The additional compounder proposed is admissible with reference to the recognised scale, and may be accepted.

3. Item (b) above. The statement above will show that the posts have not yet been in existence even for one year. According to the instructions in para 3 of Memo.39612 (A)E.II-1 dated 9-1-37, proposals for making temporary establishments permanent should not be taken up for consideration until the establishment has been in existence continuously for five years. Finance may suggest that the instructions in that para be strictly observed, and the action to be now taken be restricted to the retention of the posts on their existing temporary basis for a further period of one year.
